Submitted application must include: a proposal of one or more paragraphs in length that clearly describes the intended objectives of the study, including anticipated procedures to attain those objectives. This description should be addressed to a non-specialist reader. A relevant bibliography must be included; a statement clearly specifying the expected role of the faculty supervisor in this study (frequency / purpose of meetings with supervisor, anticipated laboratory, studio, or field assistance, etc.); a timeline clearly outlining your obligations in this study (preparation for meetings with supervisor, paper type and length, lab notebook, portfolio or finished products, anticipated deadlines, etc.); a statement clearly describing how the study will be evaluated – the assessment rubric (tests, papers, laboratory notebook, dance production or a talk, quality and quantity of art work); a one-paragraph evaluation of the usefulness of the project by the faculty supervisor.
